## Switch Amazon Prime Membership

You can switch from an Amazon Prime membership for a specific country to a Prime membership in another country.

To switch your Amazon Prime membership:

1. End your current Prime membership or cancel your free trial membership.
  - a. Go to [Your Amazon Prime membership](#).
  - b. Depending on whether you have a regular Amazon Prime membership or a free trial membership, do the following:
    - To cancel your membership, select **Update, cancel, and more**, and then select **Cancel Membership - forgo benefits**. If you and your invited household members haven't yet taken advantage of Prime during the paid period, we'll refund the full membership fee for that period. Otherwise, we'll reimburse the membership fee pro rata, calculated based on the remaining (full) months of the current membership period.
    - To cancel a free trial, select **Update, cancel, and more** and then select **End trial and benefits**.
2. Sign up for the Prime membership you want in your preferred country on the [Amazon Prime](#) page. Select the Amazon Prime membership country name to switch countries.

You can also find this information on our [End Your Amazon Prime Membership](#) help page.

**Note:** If you cancel a monthly Prime membership, you can only register again after the month you already paid for. You can see the date under [Manage My Amazon Prime Membership](#) under **Next Payment**.

If you would like your monthly Prime membership terminated immediately, contact [customer service](#).

## Use Buy Now with Amazon Prime

You can also use Amazon Prime benefits when ordering with Buy Now.

To use Amazon Prime with Buy Now:

1. Turn on Buy Now in [Your purchase preferences](#).

2. Select an existing option as your default address, payment method, and delivery speed.

**Note:** We recommend using Standard Shipping as your default shipping setting. For any Prime-eligible items, we apply FREE Two-Day Shipping automatically to qualifying orders when you shop with Buy Now. If you set Two-Day Shipping as your default setting, we apply Two-Day Shipping to all eligible Buy Now orders, including those not eligible for Amazon Prime. Appropriate shipping charges apply.

3. Provide a street address. We can't ship Two-Day or other expedited shipping methods to P.O. boxes.

**Note:** If you prefer to use the Shopping Cart instead of Buy Now, the shipping speed defaults to FREE Two-Day Shipping for all eligible items to street addresses in the contiguous U.S. The shipping speed will default to FREE Standard shipping for addresses in Alaska, Hawaii, and Puerto Rico. You'll have the opportunity to select a faster shipping speed for each item in your purchase, if one is available.

## Amazon Prime Terms & Conditions

Last updated May 11, 2021

Welcome to the terms and conditions ("Terms") for Amazon Prime. These Terms are between you and Amazon.com Services LLC and/or its affiliates ("Amazon.com" or "Us") and govern our respective rights and obligations. Please note that your use of the Amazon.com website and Prime membership are also governed by the agreements listed and linked to below, as well as all other applicable terms, conditions, limitations, and requirements on the Amazon.com website, all of which (as changed over time) are incorporated into these Terms. If you sign up for a Prime membership, you accept these terms, conditions, limitations and requirements.

## Membership Cancellation

If you signed-up for your Prime membership directly through us, you may cancel your Prime membership any time by visiting Your Account and adjusting your membership settings. If you cancel within 3 business days of signing up for or converting from a free trial to a paid membership, we will refund your full membership fee; provided that we may charge you (or withhold from your refund) the value of Prime benefits used by you and your account during this 3-business day period. If you cancel at any other time, we will refund your full membership fee only if you and your account did not make any eligible purchases or take advantage of Prime benefits since your latest Prime membership charge. If you signed up for your Prime membership through a third party, you may need to contact the third party to cancel your membership or receive any refund under its applicable policies. Prime memberships redeemed through a Prime gift code or promotional code are not refundable.

## Shipping Benefits and Eligible Purchases

[Prime shipping benefits](#) depend upon inventory availability, order deadlines, and in some cases the shipping address. They are limited to certain products sold by Amazon.com (or third-party sellers participating in Prime) on the Amazon.com website and to certain products on third-party websites that offer Prime shipping benefits. Products eligible for Prime will be designated as such on their product pages. Some special product, order, handling fees, and/or taxes may still apply to eligible purchases. If only some items in your order are eligible for Prime, you will pay applicable shipping charges for the ineligible items. Changing or combining orders, or changing your shipping address, speed, or preferences might affect Prime eligibility. Certain purchases may only be entitled to Standard Shipping because of their size, weight, and other shipping characteristics.

We may exclude products with special shipping characteristics at our discretion. The [Prime section](#) of our Help pages provides information about eligible items, shipping cost, shipping speed, and shipping destinations.

## Other Benefits and Supplemental Memberships

Click [here](#) for information about additional Prime benefits. We also offer Prime members supplemental memberships, which are subject to these Terms, require you to be a Prime member, and may have additional fees and terms. As used in these Terms, "Prime" applies to all supplemental memberships. Click [here](#) for more information about supplemental memberships.

## Other Limitations

- We reserve the right to accept or refuse membership in our discretion.
- We may send you email and other communications related to Prime and your Prime membership (regardless of any settings or preferences related to your Amazon account).
- You may not transfer or assign your Prime membership or any Prime benefits, including promotion codes for Prime memberships or benefits, except as allowed in these terms.
- Prime members are not permitted to purchase products for the purpose of resale, rental, or to ship to their customers or potential customers using Prime benefits.
- Some Prime benefits may require certain purchase thresholds, have quantity or shipping address limitations, or require members to meet specified criteria in order to access them.
- From time to time, Amazon may choose in its sole discretion to add or remove Prime membership benefits.

## Fees and Renewal

The membership fee for Prime is stated in the [Prime section](#) of our Help pages. From time to time, we may offer different membership terms, and the fees for such membership may vary. The Prime membership fee is non-refundable except as expressly set forth in these Terms. Taxes may apply on either or both of the membership fee and the reduced shipping charges for Prime.

If you sign up for your Prime membership through us and are billed by us, then the billing terms described below will apply to your membership.

If all eligible payment methods we have on file for you are declined for payment of your membership fee, you must provide us a new eligible payment method promptly or your membership will be canceled. If you provide us with a new eligible payment method and are successfully charged, your new membership period will be based on the original renewal date and not the date of the successful charge.

**UNLESS YOU NOTIFY US BEFORE A CHARGE THAT YOU WANT TO CANCEL OR DO NOT WANT TO AUTO RENEW, YOU UNDERSTAND YOUR PRIME MEMBERSHIP WILL AUTOMATICALLY CONTINUE AND YOU AUTHORIZE US (WITHOUT NOTICE TO YOU, UNLESS REQUIRED BY APPLICABLE LAW) TO COLLECT THE THEN-APPLICABLE MEMBERSHIP FEE AND ANY TAXES, USING ANY ELIGIBLE PAYMENT METHOD WE HAVE ON RECORD FOR YOU.**

If you signed up for your Prime membership through a third party and are not billed directly by us, then the billing terms provided by the third party will apply to your membership.

## Promotional Trial and Qualification-Based Memberships

We sometimes offer certain customers various trial or other promotional memberships, which are subject to these Terms except as otherwise stated in the promotional offers. Trial members may at any time (through Your Account) choose not to continue to paid membership at the end of the trial period.

If you sign up for a qualification-based Prime membership (including but not limited to Prime Student and Prime for [qualifying EBT and government assistance recipients](#)), you will receive certain Prime benefits for the reduced rate specified in the [Prime section](#) of our Help page. To sign up for and use a qualification-based Prime membership, you must meet the eligibility conditions described on the applicable enrollment page and provide any required documentation.

## Agreement Changes

We may in our discretion change these Terms, Amazon.com's Conditions of Use and Privacy Notice, or any aspect of Prime membership, without notice to you. If any change to these terms is found invalid, void, or for any reason unenforceable, that change is severable and does not affect the validity and enforceability of any remaining changes or conditions. YOUR CONTINUED MEMBERSHIP AFTER WE CHANGE THESE TERMS CONSTITUTES YOUR

ACCEPTANCE OF THE CHANGES. IF YOU DO NOT AGREE TO ANY CHANGES, YOU MUST CANCEL YOUR MEMBERSHIP.

## Termination by Us

We may terminate your Prime membership at our discretion without notice. If we do so, we will give you a prorated refund based on the number of full months remaining in your membership. However, we will not give any refund for termination related to conduct that we determine, in our discretion, violates these Terms or any applicable law, involves fraud or misuse of the Prime membership, or is harmful to our interests or another user. Our failure to insist upon or enforce your strict compliance with these Terms will not constitute a waiver of any of our rights.

## Limitation of Liability

IN ADDITION TO OTHER LIMITATIONS AND EXCLUSIONS IN AMAZON.COM'S [CONDITIONS OF USE](#), OUR TOTAL LIABILITY, WHETHER IN CONTRACT, WARRANTY, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, WILL NOT EXCEED THE LAST MEMBERSHIP FEE YOU PAID. THIS LIMITATION OF LIABILITY WILL APPLY TO THE FULLEST EXTENT PERMITTED BY LAW AND WILL SURVIVE CANCELLATION OR TERMINATION OF YOUR PRIME MEMBERSHIP.

## Disputes

Any dispute or claim relating in any way to these Terms or your use of Prime will be adjudicated in the state or Federal courts in King County, Washington, and you consent to exclusive jurisdiction and venue in these courts. We each waive any right to a jury trial.

## Amazon Prime Referral Program Terms and Conditions

Last updated: April 1, 2017

These Amazon Prime Referral Program Terms and Conditions are in addition to the Amazon [Conditions of Use](#) and Amazon Prime [Terms and Conditions](#), to which you agree by using the Amazon.com website and maintaining your Amazon Prime membership. To the extent the Amazon [Conditions of Use](#) or Amazon Prime [Terms and Conditions](#) are inconsistent with these terms, these terms will control with respect to the Amazon Prime Referral Program only.

For you to receive a Prime referral credit for inviting a new Amazon Prime member:

1. You must have a valid customer account on [the Amazon.com](#) website;
2. The customer you refer must click on your link and complete the Amazon Prime signup process and be accepted into the Amazon Prime program. We will determine in our sole discretion whether your link was used to create the account;
3. The referred customer who registered the new account must be a new Amazon Prime member and not an existing or returning member of Amazon Student, or Amazon Prime. We will determine in our sole discretion whether the customer is a new customer;
4. The referred customer must place an order on the Amazon.com website within 90 days of registration; and
5. The referred customer must not cancel that order prior to shipment.

You will receive a referral credit in your Amazon account 7 days or more after the new Amazon Prime member's order is shipped. The referral credit will be valid for one year from the date it appears in your account. Referral credits will be automatically applied to your Amazon purchases at checkout in the order in which they expire (i.e., first to expire will be applied first). Each referral credit can be redeemed only on items sold by Amazon on the [Amazon.com](#) website, is valid for one-time use only, and is non-refundable - if you use a referral credit to purchase a returnable item and you return that item, the amount of the referral credit used by you to pay for the item will be deducted from the total amount of the refund.

You may not use referral credits to buy gift cards or to pay shipping, handling, taxes, or any other applicable transaction costs. We may also specify certain products that are ineligible for payment using referral credits from time to time.

Referral credits are issued to a single Amazon account at our discretion and cannot be transferred, bartered, or sold.

Participation in the Amazon Prime Referral Program may require you to submit personal information about you and the customers you refer, such as name and email address. You agree to receive communications from us with regard to your participation in the Amazon Prime Referral Program, and to allow us to communicate with referred customers about your participation (for example, by disclosing to them that an invitation was sent by you). Any information collected from you or your referred customers as part of the Amazon Prime Referral Program will be subject to Amazon's [Privacy Notice](#).

If you participate in an Amazon affiliate marketing program, including Amazon Associates, you will not receive referral credit on any transaction for which you receive affiliate advertising fees.

We may void your referral credits, terminate your eligibility to earn referral credits, or terminate your account, or the accounts of Amazon Prime members you refer, if you or they take any of the following actions:

1. Open multiple accounts, including with different email addresses, for the same person in order to generate additional referral credits;
2. Refer customers using spam, display advertising, sponsored links, unsolicited emails, or links on message boards or forums;
3. Distribute your personal invite link via email or text message or in any offline method (e.g., in any printed material, mailing, or other document, or any oral solicitation), other than through any online tools we make available to you;
4. Use false names, impersonate other people, or otherwise provide false or misleading information to us;
5. Offer any incentive to others to register new accounts;
6. Violate these terms or any other of Amazon's terms and conditions in any way; or
7. Participate in the Amazon Prime Referral Program if doing so would be prohibited by any applicable laws or regulations.

We reserve the right in our sole discretion at any time and without prior notice to you to add to, remove, or otherwise change these terms, including, without limitation, by changing the amount of the referral credit, modifying how you may earn and spend referral credits, modifying the duration and expiration of referral credits, requiring minimum purchase amounts for use of referral credits, changing the maximum amount of referral credits that you may earn, and discontinuing the Amazon Prime Referral Program entirely. We will post an updated version of these terms on the Amazon.com website, and you will be deemed to have accepted such changes by continuing to use the Amazon.com website or the Amazon Prime Referral Program after the date such changes are posted.

# Amazon Incentives Purchase Terms for Amazon Prime Membership Codes

Last Updated: May 15, 2018

## General Purchase Terms

These Amazon Incentives Purchase Terms for Amazon Prime Membership Codes (this "Agreement") contain the terms and conditions that govern your purchase and distribution of Amazon Prime Membership Codes and is an agreement between you or the business you represent and Amazon. When you accept this Agreement, including by clicking "Complete Registration," placing an Order (as defined below), or using any Amazon Services (as defined below), you (on behalf of yourself or the business you represent) agree to be bound by this Agreement.

As used in this Agreement, "we" "us," "our," and "Amazon" means the applicable Amazon Contracting Party and any of its applicable Affiliates, and "you," "your," and "Company" means you or the business you represent and any of its Affiliates. Amazon and Company are referred to collectively as the "Parties" and individually as a "Party." Capitalized terms have the meanings given to them in this Agreement.

### 1. Term, Termination and Suspension.

Your ability to purchase Amazon Prime Membership Codes subject to this Agreement begins when you agree to this Agreement (by clicking "Complete Registration," placing any Order, or otherwise), and continues until either Party provides at least 30 days' notice of termination (the "Term"). Amazon may terminate or suspend this Agreement and/or your ability to purchase Amazon Prime Membership Codes at any time with or without cause upon 30 days' notice. Additionally, Amazon may terminate or suspend the Agreement immediately if Amazon believes (a) that Company has materially breached any terms of this Agreement, (b) that Company's distribution or advertising of any audio-visual or music content included in Amazon Prime Memberships may be restricted as a result of the Company Prime Offer or that Amazon or its Affiliates may face potential claims, liability or reputational harm in connection with Company's distribution or advertising of such content or any Amazon Prime Membership, or (c) that Company's program(s) or Company Prime Offer, or any Amazon Prime Membership Codes sold through such a program or Company Prime Offer, are being, have been, or may be used for fraudulent, illegal, or unauthorized activities, or that the distribution of Amazon Prime Membership Codes would violate Applicable Law or present a risk to the brand, reputation, or goodwill of Amazon or its Affiliates.

### 2. Effect of Termination.

Upon termination of the Agreement, Company will immediately cease all distribution of the Amazon Prime Membership Codes, except that, in the event of a termination by Amazon without cause, Company may distribute its remaining inventory of Amazon Prime Membership Codes in accordance with the Use Requirements under this Agreement for up to 30 days (the "Sell-Off Period"). After the later of (1) 10 Business Days after the effective date of termination of the Agreement; or (2) expiration of an applicable Sell-Off Period, all license rights granted to you under the Agreement will terminate and Company will cease all uses of the Amazon Marks in connection with the Agreement.

### 3. Modifications.

#### **11. Orders and Amazon's Acceptance of Orders.**

Subject to this Agreement, Company may make offers for the purchase of Amazon Prime Membership Codes via the Ordering Portal (each, an "**Order**"). Amazon may accept Orders in accordance with the terms of this Agreement, or reject Orders for any of the reasons listed in Section 1.

Except with written consent of Amazon, payments must be made by wire transfer to the account designated by Amazon. Company may establish a prepaid credit (a "**Credit**") with Amazon, from which Amazon will deduct the amount of each subsequent Order Amazon accepts. #### **15. Special Pricing Program.**

(a) From time to time, we may offer discounted pricing programs for Amazon Prime Membership Code Orders (each, a "**Special Pricing Program**"). Where you and we have agreed to a Special Pricing Program, it forms part of this Agreement during its term. You must comply with any additional terms and conditions for the Special Pricing Program as described in the

offer terms for the Special Pricing Program and agreed by you and us. Unless specified otherwise, the term of a Special Pricing Program is 1 year from the Start Date specified therein and will not automatically renew. **In the event that Company breaches this Agreement or the terms of any Special Pricing Program, Company will be obligated to repay all Discount received by Company during the term of the Special Pricing Program.** Amazon reserves the right to offset such repayment obligation against any Credit. Company will make repayment under this Section by wire transfer of immediately available funds to an account of Amazon's designation within 30 days of Amazon's demand. Company will not disclose the terms of any Special Pricing Program to any third party except its Affiliates as reasonably necessary to implement the Agreement.

(b) "**Discount**" means a percentage reduction in the Purchase Price from the denominated value of purchased Amazon Prime Membership Codes.

(c) "**Minimum Purchase Requirement**" means an obligation by Company to purchase a minimum amount of Amazon Prime Membership Codes during the term of the Special Pricing Program. As noted in paragraph (a) above, if you fail to achieve the Minimum Purchase Requirement, you will be required to repay any Discount you received during the term of the Special Pricing Program, unless such failure is attributable to Amazon's termination of the Agreement without cause.

#### **16. Taxes.**

Each Party will be responsible for identifying and paying all taxes and other governmental fees and charges (and any penalties, interest, and other additions thereto) that are imposed on that Party with respect to the transactions and payments under the Agreement. All payments made by Company to Amazon under the Agreement will be made free and clear of any withholding or deduction for taxes. If any such taxes (for example, international withholding taxes) are required to be withheld on any payment, Company will pay such additional amounts as are necessary so that the net amount received by Amazon is equal to the amount then due and payable under the Agreement. Amazon will provide Company with such tax forms as are reasonably requested in order to reduce or eliminate the amount of any withholding or deduction for taxes in respect of payments made under the Agreement.

#### **17. Disclaimers.**

**Except as expressly provided in the Agreement, neither Party nor any of its Affiliates makes any representations or warranties in relation to the Agreement, the services provided under the Agreement or its performance under the Agreement, including (without limitation) implied warranties of merchantability, non-infringement, fitness for a particular purpose, or implied warranties arising out of course of dealing, course of performance, or usage of trade. Without limiting the generality of the foregoing, neither Amazon nor any of its Affiliates makes any representations or warranties that: (a) its or its Affiliates' network or services, including the Amazon Services (i) will always be error-free, accurate, or free of harmful components, or (ii) will be accessible without interruption; or (b) any content, including your content, will be secure or not otherwise lost or damaged. Amazon Services are "as is."**

#### **18. Limitations and Reservations.**

**Each Party's entire liability arising out of or in connection with the Agreement (whether claims are asserted under contract, tort, statute, equity or otherwise) will not exceed \$50,000, and neither Party nor its Affiliates will be liable to the other for indirect, incidental, special, consequential, punitive, or exemplary damages arising out of the Agreement; provided, however, that the foregoing limitations do not apply to (a) Company's obligation to pay amounts accrued or payable to Amazon under the Agreement, (b) Losses against which a Party is entitled to indemnification pursuant to Section 19 (Indemnification), (c) liabilities arising out of or relating to any breach of the security requirements or a Security Incident as set forth in Sections 5 and 6; or (d) liabilities arising out of or relating to any breach of Section 7 (No Targeting), Section 10 (License to Amazon Marks), any of the Use Requirements or the terms for any of the Amazon Services. Except with respect to Company's payment obligations for Amazon Prime Membership Codes, in no event will either Party's liability arising out of or in connection with the Agreement exceed \$5 million.**

#### **19. Indemnification.**

Company will defend, indemnify, and hold harmless Amazon, Amazon's Affiliates, and each of their respective employees, directors, officers, shareholders, contractors, and representatives ("**Amazon Indemnified Parties**") against any third-party Claim and indemnify each Amazon Indemnified Party from and against any and all Losses arising out of any such third-party Claim to the extent any such third-party Claim or Loss arises from or is related to (a) any use,

distribution, or sale of Amazon Prime Membership Codes by Company or its employees, directors, officers, shareholders, contractors, representatives, or agents, and all associated marketing and promotional activities undertaken by Company, or any Security Incident in relation to any Amazon Prime Membership Codes delivered to Company under this Agreement, (b) any violation, misappropriation, or infringement by Company of the Intellectual Property of any third party, (c) any deceptive, fraudulent, or unauthorized activity or violations of Applicable Law by Company or its employees, directors, officers, shareholders, contractors, representatives, or agents in connection with the performance of the Agreement, (d) any breach of the terms of use for any Amazon Service, (e) Company's use of the Amazon Services, or (f) any taxes that Company is legally obligated to pay in any jurisdiction.

Amazon will defend, indemnify and hold harmless Company, Company's Affiliates, and each of their respective employees, directors, officers, shareholders, contractors, and representatives (each, a "**Company Indemnified Party**" and together with the Amazon Indemnified Parties, the "**Indemnified Parties**") against any third-party Claim and indemnify each Company Indemnified Party from and against any and all Losses arising out of any such third-party Claim to the extent any such third-party Claim or Loss is based on or related to Company's use of the Amazon Marks in compliance with this Agreement that violates, misappropriates, or infringes the Intellectual Property of any third party.

#### **20. Indemnification Procedure.**

The Indemnified Party will promptly notify the Party from whom indemnification is sought (the "**Indemnifying Party**") of any Claim subject to Section 19 (Indemnification), but the Indemnified Party's failure to promptly notify the Indemnifying Party will only affect Indemnifying Party's obligations under such Section to the extent that the Indemnified Party's failure prejudices the Indemnifying Party's ability to defend the Claim. The Indemnifying Party may (a) use counsel of the Indemnifying Party's own choosing (subject to the Indemnified Party's written consent, which will not be unreasonably withheld) to defend against any Claim, and (b) settle the Claim, provided that the Indemnifying Party obtains the Indemnified Party's prior written consent before entering into any settlement. The Indemnified Party (at its cost) may participate in the defense and settlement of the Claim at any time; provided that it may not settle the Claim without the Indemnifying Party's prior written consent.

#### **21. Governing Law; Venue.**

The Agreement will be governed by the laws of the State of Washington, without reference to its conflicts of law rules. Any dispute or claim arising from or relating to the Agreement is subject to the binding arbitration, governing law, disclaimer of warranties, and limitation of liability and all other terms in the Conditions of Use. Company agrees to those terms by entering into the Agreement, submitting Orders for Amazon Prime Membership Codes or using Amazon Services. The Parties' rights and obligations are not governed by the United Nations Convention on Contracts for the International Sale of Goods.

#### **22. Representations.**

Company represents and warrants to Amazon that: (a) if Company is a business, and it is duly organized, validly existing and in good standing under the Applicable Laws of the jurisdiction in which it is registered; (b) Company has all requisite right, power, and authority, including any necessary consent, to enter into this Agreement, perform its obligations (including with respect to the use of any Amazon Services and with respect to any information shared with Amazon), and grant the rights, licenses, and authorizations in this Agreement; (c) any information provided or made available by Company or its Affiliates to Amazon or its Affiliates is at all times accurate and complete and will not violate, misappropriate, or infringe any intellectual property right (including but not limited to trademark rights, copyrights, moral rights and publicity rights) of any third party; and (d) Company and all of its subcontractors, agents, and suppliers will comply with all Applicable Laws in its performance of its obligations and exercise of its rights under this Agreement.

#### **23. Relationship of the Parties; Publicity.**

Company is an independent contractor to Amazon and will have no right, authority, or power to create any obligation or responsibility, express or implied, on behalf of or in the name of Amazon. The Agreement does not create any relationship between Company and Amazon such as agent, partnership, joint venture, or employer and employee. Company is solely responsible for the employment, direction, and control of its employees and agents with respect to marketing promotion, distribution, and sale of the Amazon Prime Membership Codes. Company will not issue any press release or make any other public communication regarding the Agreement without Amazon's prior written consent.

#### **24. Assignment.**

Neither party may assign this Agreement without the prior written consent of the other party, except that Amazon may assign this Agreement to an Affiliate or in connection with any merger, reorganization, sale of all or substantially all of our assets or any similar transaction.

#### **25. No Third-Party Beneficiaries.**

The Agreement is only for the benefit of, and will be enforceable only by, Company, Amazon, and Amazon's Affiliates. Except as expressly provided in the Agreement, (a) the Agreement is not intended to confer any right or benefit on any third party (including any Affiliate, employee, director, officer, shareholder, contractor, representative, or agent of Company, Client, or Recipient); and (b) no action may be commenced or prosecuted against a Party by any third party claiming as a third-party beneficiary of the Agreement or any of the transactions contemplated by the Agreement.

#### **26. Entire Agreement.**

The Agreement represents the entire agreement between the Parties with respect to its subject matter and supersedes any previous or contemporaneous oral or written agreements regarding such subject matter. We will not be bound by, and specifically object to, any term, condition or other provision that is different from or in addition to the provisions of this Agreement (whether or not it would materially alter this Agreement). In the event that any term, condition, or other provision (a) submitted by you in any order, receipt, acceptance, confirmation, correspondence or other document, (b) related to any online registration, purchase order, supplier form, or other questionnaire, or (c) related to any invoicing process that you submit or require us to complete is inconsistent with the terms of this Agreement, the terms of this Agreement will control.

#### **27. No Waiver.**

The failure by either Party to enforce any provision of the Agreement or to exercise any rights or remedies under the Agreement will not constitute a waiver of that provision nor limit such Party's right to enforce that provision or exercise those rights at a later time. The remedies specified in the Agreement are cumulative and are in addition to any other remedies that may be available under Applicable Law.

#### **28. Survival.**

Together with Company's payment obligations under this Agreement, upon any termination of the Agreement, the following Sections will survive: Section 2 (Effect of Termination), 9 (Distribution; Brand Use Compliance), and 10 (License to Amazon Marks) (only for any Sell-Off Period permitted under Section 2); Sections 5 (Redemption of Amazon Prime Membership Codes), 6 (Information Security), and 8 (No Fees); Section 7 (No Targeting) (only for so long as Company retains Recipient information); and Sections 18 (Offset), 17 (Disclaimers), 18 (Limitations and Reservations), 19 (Indemnification), 20 (Indemnification Procedure) and 21 (Governing Law; Venue) (only for the period of time during which a Claim may be made in relation to this Agreement).

#### **29. Severability.**

If any portion of this Agreement is held to be invalid or unenforceable, the remaining portions of this Agreement will remain in full force and effect. Any invalid or unenforceable portions will be interpreted to effect and intent of the original portion. If such construction is not possible, the invalid or unenforceable portion will be severed from this Agreement but the rest of the Agreement will remain in full force and effect.

## Amazon Prime Fuel Savings Offer

Prime members can now save 10¢ a gallon on fuel with earnify™ at participating locations.

You can redeem these savings at more than 7,000 bp, Amoco, and participating *ampm* stations. After activating the offer, Prime members can simply enter their registered phone number, use the earnify™ app, or an earnify™ linked payment method at the pump.

For more information on offer details, visit: [Amazon Prime Fuel Savings](#).

To activate the offer and start saving, visit the Prime [fuel savings offer](#) page. Creating an earnify™ account is free, and downloading the free earnify™ app is optional. However the earnify™ app helps enhance your fuel experience by helping you locate new and existing locations and stack even more fuel and convenience store savings through earnify™ directly.

## Unlinking your account from the earnify™ app:

1. Go to Your Account.
2. Select [Manage apps & services with data access](#).
3. Unlink earnify™ from your Amazon account

Once your earnify™ account is unlinked, access to the Prime fuel savings offer is terminated. Reconnect your accounts at any time to resume access.

The Prime fuel savings offer is only available in the US and does not expire. Your savings continue as long as your Amazon Prime membership remains active.

Ending your Prime membership will result in immediate termination of this offer. Amazon and bp reserve the right to cancel, suspend and/or modify any aspect of or the entirety of this offer, for any reason at any time, with or without notice.

## Share Your Amazon Prime Benefits

Prime members can share certain benefits with another adult in their Amazon Household.

To share your Amazon Prime benefits:

1. Visit [Your Amazon Prime Membership](#).
2. Locate the **Share your Prime Benefits** section.
3. Select **Manage Your Household**.
4. Enter the name and email address of the person you want to share benefits with.
5. Select **Continue**.  
 You and your invitee must agree to share wallets in order to share Prime benefits. As a security measure, we'll notify you if your invitee moves your credit or debit card to their wallet.
6. Review the terms. If you agree with them, select **Agree and send invite**. Your invitee has 14 days to accept the invitation.  
 You and your invitee must live in the same country or region and share a preferred marketplace to create an Amazon Household.

You can stop sharing benefits with your household member at any time. To do this, go to [Manage Your Household](#) and select **Remove**.

## Pause Your Amazon Prime Membership

You can pause your billing and services for eligible Prime memberships.

---

If you won't be using your Prime benefits for a while, you can pause your membership. When you pause your membership, we won't bill you at the end of your current billing cycle. You won't have access to your Amazon Prime benefits while your membership is paused, but you can resume your Prime membership at any time at the then current rate for your selected Prime membership plan.

When your membership resumes, your photos will be where you left them.

**Note:**

- Subscriptions tied to your Amazon Prime membership end when your membership billing is paused.

You can pause and resume your membership in the **Membership Management** section on [Prime Central](#).
